ABOUT CWDGA TAB BACK

☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐

STATEMENT OF PURPOSE

The Chicago Women's District Golf Association (CWDGA) was organized in 1930 under the sponsorship and guidance of the Women's Western Golf Association. Its purpose is the advancement of the best interests of women's golf at its member clubs, located in and around the Chicago area. The CWDGA currently serves seventy-four (74) member clubs in five sections - Central, Northeast, Northwest, South and West.

CWDGA MEMBER SERVICES

Each year the CWDGA conducts:

- Four-Ball Match Play (in each of the five sections)

Tournaments:

- Annual Championship
- One Day Stroke Play
- Better-Ball of Pairs
- Senior Better-Ball of Pairs

Eligibility: Any woman golfer from a member club in good standing who meets the CWDGA eligibility and handicap requirements is eligible to play in all events. To remain in good standing, unless exceptional circumstances exist, a member club must allow the use of its facility when requested, which is usually once every two to three years for Four-Ball Match Play and once every ten to fifteen years for a tournament. The Golf Chair and Team Captain at each member club are responsible to assisting the CWDGA in securing play dates at their home course.

Services to Member Clubs:

- a comprehensive website, www.cwdga.org, with access to Four-Ball Match Play and tournament information and continuing development of online resources;
- links to other Chicago and Illinois golf associations;
- uniform course and slope ratings;
- the CWDGA Handbook for Members publication;
- meetings to assist member clubs in setting up their local golf programs;
- Rules Seminars;
- instructions in handicapping and rules interpretation;
- presentation of CWDGA hole-in-one pins.

Membership dues are assessed annually by the CWDGA for each club. Assistance to member clubs is available from the CWDGA throughout the season.

(Rev. 2/1/2015)

HOLE-IN-ONE AWARD

The CWDGA awards a pin to each member club player who has scored a hole-in-one during the preceding golf year (October 1 through September 30). The hole-in-one must be scored as part of a regulation eighteen-hole round of golf, played under the Rules of Golf on any **CWDGA member club course**. There is no handicap requirement for this award.

As soon as possible after the hole-in-one is scored, the **Golf Chair** at the player's club must send or email the CWDGA Secretary:

Jean Schudt
1017 Prestwick Dr.
Frankfort, IL 60423
Jschudt1@gmail.com

- SCORECARD: A COPY OF THE DATED, SIGNED AND ATTESTED SCORECARD FOR THE EIGHTEEN-HOLE ROUND THAT INCLUDES THE HOLE-IN-ONE
- NAME OF GOLF COURSE
- THE PLAYER'S FULL NAME
- HOME ADDRESS
- TELEPHONE NUMBER
- EMAIL ADDRESS

NO LATER THAN SEPTEMBER 30

The Hole-In-One award presentation is made at the Annual Fall Meeting. The CWDGA secretary **MUST** receive the player's scorecard, name, address, telephone number and email address no later than September 30. Scorecards received after the deadline will be awarded the following year.

(Rev. 2/1/2018)

HANDICAPS

CWDGA member clubs must use the CDGA Handicap Information System to assure uniformity of handicaps. The CWDGA provides its member clubs with current copies of *The USGA Handicap System* manual and *The USGA Handicap System Reference Guide*. Member clubs should thoroughly review and comply with all aspects of the USGA Handicap System.

Sections 4, 5 and 6 of *The USGA Handicap System* manual explains the procedures for adjusting and posting scores and keeping records. Equitable Stroke Control (ESC) is mandatory for all golf clubs issuing Handicap Indexes.

<u>Course Handicap</u>	<u>ESC Maximum</u>
9 or less	Double Bogey
10-19	7
20-29	8
30-39	9
40 and above	10

Every player is responsible for returning all acceptable scores, as defined in Section 5 of *The USGA Handicap System* manual, made at her home course or away. Scores made at any golf course in this district during the inactive season may not be accepted for handicap purposes, but scores made at a golf course in an area observing an active season must be posted for handicap purposes, even if they are made during the inactive season in this district. See *The USGA Handicap System* manual, Section 6-2. The active season for the CWDGA is **April 1 through October 31**.

Scores made during the four CWDGA tournaments: Annual Championship; One-Day Stroke Play; Better-Ball of Pairs and Senior Better-Ball of Pairs - are **tournament scores** as defined in Section 5-2e of *The USGA Handicap System* manual and will be posted by the CWDGA Handicap Chair for handicap purposes. Scores posted for regular play dates at member clubs should not be designated as tournament scores.

Commencing in 2016, the USGA has made changes in the Handicap System. One of the changes is: "Scores made while playing alone will no longer be acceptable for handicap purposes." (Sec. 5-1:Acceptability of Scores).

☐

Season officially begins on **April 1**.
(This is the first day for accepting local scores.)

☐

Season officially ends **October 31**.
(This is the final day for accepting local scores.)

☐

The dates for handicap revisions will be the 1st
and the 15th of each month.

REQUIREMENTS FOR MEMBERSHIP IN THE CWDGA

For a club to be considered for membership in the Chicago Women’s District Golf Association, it must:

- 1. Be located within a radius of seventy-five miles of Chicago. State and Madison Streets shall be the coordinates.
- 2. Be established as a private club for at least three years.
- 3. Submit a copy of its Constitution and/or Bylaws that govern its operation.
- 4. Submit a copy of the roster of the current membership of the club.
- 5. Have facilities suitable and available for team play and tournaments.
- 6. Agree to host Four-Ball Match Play at least every other year.
- 7. Agree to host a one-day tournament when requested.
- 8. Agree to host our three-day CWDGA Championship Tournament when requested.
- 9. Submit a letter from the Board of Directors stating that it is aware of the above requirements and agrees to them.

Section 1 of the CWDGA Bylaws reads:

When a private club has made application for membership in the CWDGA and has met the requirements of the organization, the member clubs shall be notified of such application. At the expiration of a period of sixty (60) days from the date of such notification, said applicant shall be deemed acceptable for membership by the Association. The Board of Directors shall thereby issue an invitation to membership, unless a negative response has been received from three (3) or more member clubs.

The annual dues to be paid by member clubs shall be fixed by the Board of Directors. Entry fees are paid by the individual for various events which the CWDGA conducts, including Four-Ball Match Play, One Day Stroke Play, Better-Ball of Pairs, Senior Better-Ball of Pairs and a three-day CWDGA Championship Tournament.

Visit the CWDGA website www.cwdga.org for additional information.

Tournament of Team Champions (By Invitation)

TBD

INSTRUCTIONS GOVERNING TOURNAMENT PLAY - 2018

Tournament Policies: The *Rules of Golf* as approved by the **USGA** governs all CWDGA competitions as supplemented by the conditions of the competition established by the CWDGA and set forth in the *Handbook for Members* and on the [cwgda.org](http://cwdga.org) website. Each player is responsible for knowing the rules and conditions of the competition, and it is suggested that you carry a copy of each with you.

Tournament Eligibility: An “eligible player” must have golf privileges at a CWDGA member club, have amateur status and must maintain a current, valid CDGA handicap at that club. Handicap records received by the CWDGA from the USGA Handicap System are used for all competitions. The Handicap Index limitations for the four CWDGA tournaments are: 26.0 for the CWDGA Championship, 33.0 for the One Day Stroke Play, Better-Ball of Pairs and Senior Better-Ball of Pairs.

A player who is a member of more than one club must select the club that she will represent in all CWDGA competitions. Changes are not permitted during the year unless permission is granted by the CWDGA Board of Directors

Tournament Entry: Only online entry forms will be accepted by CWDGA for tournaments with entry fees paid by credit card (MasterCard, VISA or Discover) on our website, www.cwdga.org. The CWDGA reserves the right to decline any entry.

Player Requests: An eligible player may request to play with ONE other player for the One Day Stroke Play tournament. Other player requests (other than the designated partner) will not be permitted for the Better-Ball of Pairs and Senior Better- Ball tournaments.

Tournament Information: Information concerning confirmed participation, pairings, starting times, etc., will be emailed to contestants approximately 5-7 days prior to the event. If a contestant has not received information within seven days of the event, it is her responsibility to contact the CWDGA Tournament or Championship Chair.

Withdrawal/ Refund Policy: Individuals, who have submitted an entry for a CWDGA event and wish to withdraw for any reason, **MUST** notify the CWDGA Tournament or Champion-

ship Chair. Withdrawals may be sent via email, telephone or FAX. Withdrawals submitted prior to the refund deadline will receive a full refund minus a \$20 handling fee in the case of Championship and a \$10 fee per player for all other tournaments. NO REFUND will be made unless cancellation is received before the date specified for each tournament.

Over Subscribed Events: The CWDGA Championship and One Day Stroke Play tournaments are limited to the lowest entrants (80 for Championship and 100 for One Day Stroke). If either tournament is over subscribed, then the field will be composed of the players with the lowest Handicap Indexes, and the remaining entries will be placed on a waiting list in order of Handicap Index. After the entry deadline, players will be accepted in Handicap Index order to fill any vacancies. Handicap Indexes as of the revision date stated for each tournament will be used.

Both the Better-Ball of Pairs and Senior Better-Ball of Pairs events are limited to 112 players (56 pairs), with players selected on a first come, first serve basis. Online entries are accepted in the order of the transaction time and date.

When the field is full, entries are put on a Wait List in the order of transaction time and date. A full refund will be given to anyone on the waitlist who does not make it into the event.

Start Time Requests: The CWDGA will not honor any start time requests for any CWDGA tournament. The One Day Stroke Play, Better- Ball of Pairs and Senior Better-Ball of Pairs Tournaments are shotgun starts. The CWDGA Championship is a match play event with Championship flight off first followed by the other flights.

Practice Rounds: One practice round may be available for the CWDGA Championship. Specific information will be included in the official acceptance packet. If a practice round is available, each contestant is responsible for contacting the host site for arrangements. Players may NOT bring their own caddie to a host-club. Practice rounds are not available for any of the other tournaments.

Attire: Players and caddies must be properly attired both on the golf course and the premises of the club. Jeans of any color, T-shirts and tank tops are prohibited. Collared shirts are strongly suggested. Shorts and golf skirts must be mid-thigh in length. Any additional dress code restrictions of the

site hosting the event are in effect. It is always advisable to consult the host-club for clarification of its policies.

The Committee: The Committee is the CWDGA and is represented at all competitions by the uniformed CWDGA officials present at the competition. Host- club officers and personnel are not members of the Committee.

Caddies/Carts: If a host-club has provided caddies, and caddies are available, a contestant must use a caddie or a cart with a caddie. Contestants **may not** provide their own caddies. Reserved caddies must be used.

Communication Devices: CWDGA Rules strictly prohibit contestants and caddies from using cell phones, other internet communication devices, smart watches, or any devices that emit sounds during a stipulated round (rangefinders that beep must not disturb other players). CWDGA does not allow smart phones or watches to be used as a Rules of Golf source or as a distance-measuring device in any CWDGA-sponsored event. If the Committee determines that a violation of this policy has resulted in an opponent or a fellow competitor being placed at a significant disadvantage, the player will be disqualified due to a serious breach of etiquette. Otherwise, a violation of this policy will result in a warning to the player; a second violation in any CWDGA event will result in disqualification for the remainder of the current playing season. (Rule 33-7).

Local Rules: The CWDGA will continue to adopt the Local Rule regarding a ball or ball marker on the putting green accidentally moved by you, your partner, your caddies or your equipment. The ball or ball marker is to be replaced and no penalty is assessed. The CWDGA will also implement the following new Local Rule for all CWDGA Tournaments. The additional two-stroke penalty for failing to include a penalty on the scorecard when the player was unaware of the penalty will be eliminated.

Distance Measuring Devices: Distance measuring devices that conform to USGA specifications will be allowed in all CWDGA events at a host club where the Local Rule allowing such devices is in effect. (*The Rules of Golf* Appendix 1, Part B, #9.)

Slow Play: Pursuant to USGA Rule 6-7, the CWDGA has established the following pace of play guidelines. A group of four players is expected to take no more than 15 minutes per

hole – **4 hours and 30 minutes per round** to play. Any group that fails to hold its position on the course will be alerted and requested to play at a faster pace. After being warned, the group will be monitored. The time each player takes to play each stroke will be recorded. Any player in a group out of position that takes more than 45 seconds to play a stroke on two occasions will be advised of that fact and told that if she exceeds the time limit on two more shots, she will incur the **penalty** provided in Rule 6-7.

Etiquette: Players are expected to conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times. This includes being considerate of other players, caring for the course and treating all opponents, staff and CWDGA members with respect. The Committee has the power to revoke the playing privileges of any player for etiquette violations.

Scores: All scores in CWDGA tournaments are tournament scores under the USGA Handicap System. All scorecards must show an eighteen hole score and a score for each hole for each player. The CWDGA Handicap Chair will post these scores as “T” scores. The One Day Stroke Play, Better-Ball of Pairs and Senior Better-Ball of Pairs tournaments are stroke play competitions. Strokes must not be conceded.

Prizes: Prizes will be awarded to the winners of all flights in all of the CWDGA tournaments. If a winner is unable to stay for the awarding of prizes, she may ask someone to accept it for her, providing the designated person signs for the prize and the winner arranges for its pick-up with the CWDGA Tournament or Championship Chair. Prizes will be awarded to the winners of all flights of the CWDGA tournament. In the event of a tie and a playoff is not feasible, matching scorecards will be used to determine the winner. (*The Rules of Golf* Appendix 1 Section 10 (c) page 161).

Policy on Spectators at CWDGA Events: It is the policy of CWDGA that all spectators at CWDGA-sponsored events must remain at a respectful distance from players and should avoid unnecessary personal contact with them. CWDGA policy prohibits cell phone use. Spectators are invited to walk the course or to rent a golf cart from the pro shop (subject to availability) at the host club’s prevailing rate.

ONE DAY STROKE PLAY TOURNAMENT

Thursday, June 14, 2018 – 8:30 a.m. shotgun

ONWENTSIA CLUB

TOURNAMENT OF TEAM CHAMPIONS

TBD – September 2018

***ONLINE ENTRY AND PAYMENT

Available at www.cwdga.org (under Tournaments tab)

Entry Dates:

TBD

Eligibility:

The winning team from each of the first four divisions in each section may send two regular team members to compete.

Format:

Net better-ball of each two-person team against the net better ball of the teams from the other sections compete to become the overall division winner.

Handicaps frozen: September 1, 2018

Entry Fee:

There is no entry fee for this event. Players will be charged for food service and cart. All payments will be charged back to the player's club through their member number.

Prizes:

There will be a prize for the winning team from each division.

Official notification and instructions will be e-mailed to players after September 4th.

Caddy or carts will be available for this event. CWDGA policy forbids bringing your own caddy.

To make changes to your registration, please contact:

Pat Murlas, Team Match Chair

Phone: 847-441-8548

Email: cmmpk@aol.com

Thursday, May 31	Kishwaukee	8:30am	Shotgun
Tuesday, June 5	Cress Creek	8:30am	Shotgun

Four-Ball Match Play pairings may be obtained by going to www.cwdga.org.

INSTRUCTIONS GOVERNING FOUR-BALL MATCH PLAY - 2018

POLICIES REGARDING FOUR-BALL MATCH PLAY

General: CWDGA conducts Four-Ball Match Play yearly in each of its five sections – Central, Northeast, Northwest, South and West. A member club is entitled to submit teams of eligible players to compete in one of the four divisions of the club's respective section. A lottery may be used for the second or third teams if the section is oversubscribed. A team consists of four players who play as a unit.

The form of play is Four-Ball Match Play (USGA Rule 30-1 and 30-3 apply) with an eighteen-point system of scoring, which is played on five separate dates. The cumulative team points are available on the CWDGA website.

All team players compete to their current Course Handicap at the host-club. If handicaps are the same, they are placed in a position according to the Handicap Differential. If the Handicap Differential is the same, the players will be positioned alphabetically by last name. Note: If a regular player or substitute's Handicap Index exceeds 28.0, she must play to an index of 28.0.

For scoring the match, the host-club Course Handicaps of the four players in the match will be reduced by subtracting the handicap of the player who has the lowest handicap. The player with the lowest handicap competes at **scratch**. The other three players, regular or substitute, will receive 100 percent of the resulting difference. Strokes are taken as they fall on the scorecard.

Team Selection: Each member club is responsible for the selection of its team members. An "eligible player" must have golf privileges at a CWDGA member club, have amateur status and must maintain a current, valid CDGA handicap at that club. If a team captain wishes to submit a player for consideration with a Handicap Index higher than 28.0, she must receive the approval of the Team Match Chair. That player, if approved, must play to an index of 28.0.

A player who may be a member of more than one club shall select the club that she shall represent in all CWDGA competitions and shall not be permitted to make any change during the year unless permission is granted by the CWDGA Board of Directors. However, a player who has active CDGA mem-

berships at clubs in different sections may qualify to be a substitute for a club that is not in her section.

Each team should have at least two reliable substitutes. A substitute whose index exceeds 28.0 must be approved by the Sectional Handicap Chair and must play to a 28.0 index.

Each team must be represented by at least one regular team member each play day. **All regular members of a team must play at least three-scheduled Four-Ball Matches for the team to be eligible for prizes.**

Permanent Replacements may be made up until April 15th. After this date, the Team Match Chair must approve all Permanent Player replacements and the original player may not substitute during the current season.

Substitutes: Each player is responsible for notifying her Team Captain well in advance if she is unable to play any Four-Ball Match Play dates. Substitute requests must be submitted no later than **36 hours** in advance of Four-Ball Match Play. Substitutes with a Handicap Index over 28.0 need approval from the Sectional Handicap Chair, and will play to a 28.0 index.

A substitute may play in any division, however, if a club fields more than one team, and more than one of its teams require substitutes, the player with the lower Handicap Index must substitute in the lower handicap division. A permanent team member may not substitute or otherwise play on another team of the club without the approval of the Team Match Chair.

Each substitute is required to pay a \$5.00 substitution fee. This fee will be refunded only if the course is declared closed before the substitute has teed off.

In case of emergency, every effort will be made to accommodate substitutes within the **36-hour** period. **No substitute appearing on the day of play without prior notice will be accepted regardless of circumstances**

Byes: In the case of a bye, the team with the bye has the option of playing the course with the field. At least 2 regular players must be in attendance and any substitutes **MUST** have a handicap index of 28.0 or lower. The team players will play as a foursome and their scores will be posted by the CWDGA. This however, does not count as a scheduled

match for these players so they must play two of the other four play dates to be eligible for prizes. Thirty-six points are awarded for a team with a bye since each team in the division will also have one bye.

POLICIES REGARDING THE DAY OF PLAY:

The Committee is made up of the CWDGA Sectional Team Chair and Sectional Handicap Chair.

Time of Starting: Players should be prepared to **tee-off** at the time published on the schedule. If only one player of the side fails to report to the tee on schedule, Rule 30-3a applies. If both members of the side fail to report to the tee on schedule, but at least one does arrive, ready to play, within five minutes after the starting time, the **PENALTY** is loss of the first hole.

Communication Devices: CWDGA Rules strictly prohibit contestants and caddies from using cell phones, other internet communication devices, smart watches, or any devices that emit sounds during a stipulated round (range-finders that beep must not disturb other players). CWDGA does not allow smart phones or watches to be used as a Rules of Golf source or as a distance-measuring device in any CWDGA-sponsored event. If the Committee determines that a violation of this policy has resulted in an opponent or a fellow-competitor being placed at a significant disadvantage, the player will be disqualified due to a serious breach of etiquette. Otherwise, a violation of this policy will result in a warning to the player; a second violation in any CWDGA event will result in disqualification for the remainder of the current playing season. (Rule 33-7).

Distance-Measuring Devices: Distance-measuring devices that conform to USGA specifications will be allowed in all CWDGA events at host-clubs where the Local Rule allowing such devices is in effect. (Rules of Golf Appendix 1, Part A, #7)

Caddies/Carts: If a host-club has provided caddies, and caddies are available, a contestant must use a caddie or a cart with a caddie. Contestants **may not** provide their own caddies. Reserved caddies must be used. **A player wishing to change her cart/caddie request must have her Team Captain inform the Sectional Handicap Chair of the change before the 36 hour deadline. On the day of play, only the Sectional Handicap Chair can authorize changes.**

Attire: Players and caddies must be properly attired on both the golf course and the premises of the club. Jeans of any color, T-shirts and tank tops are prohibited. Collared shirts are strongly suggested. Shorts and golf skirts must be mid-thigh in length. Any additional dress code restrictions of the club hosting the event are in effect. It is always advisable to consult the host-club for clarification of policies.

Local Rules: The CWDGA will continue to adopt the Local Rule regarding a ball or ball marker on the putting green accidentally moved by you, your partner, your caddies or your equipment. The ball or ball marker is to be replaced and no penalty is assessed. The CWDGA will also implement the following new Local Rule for all CWDGA Tournaments. The additional two-stroke penalty for failing to include a penalty on the scorecard when the player was unaware of the penalty will be eliminated.

Returning Scorecards: A player from one side shall sign and a player from the opposing side shall attest one scorecard, immediately upon completion of the match. The scorecard must show both a team score and an adjusted eighteen-hole score for each individual player. The points won by each should be clearly marked and **both players** shall return that card to the Sectional Team Chair. **No changes will be made after the players have left the scoring table.**

Posting Scores: The CWDGA Sectional Handicap Chair will post a score for each player in the CDGA Handicap System. This score will NOT be posted as a “T” score. Each week’s match results will be posted on the website.

Failure to return a score for a particular match may result in a penalty score being entered in the player’s record for the missing score. This score may be “equal to the lowest Handicap Differential in the player’s scoring record.” (*The USGA Handicap System* manual Section 8-4b, page 56). For any questions about this policy, please review *The USGA Handicap System* manual or contact the CWDGA Handicap Chair, Geri McLauchlan (gerimclauchlan@gmail.com)

Weather: Regardless of weather, players, including substitutes, must appear at the host-club to receive points, unless the course is declared closed and the match officially canceled prior to start of the matches. If a team is not present, it shall be disqualified from Four-Ball Match Play for the current season and all points earned by and against the team for the season shall be null and void. The individual team members involved will forfeit their right to play in all CWDGA events for that current season and in Four-Ball Match Play for the

following season.

Play will start as scheduled and continue unless the course is declared unplayable. Play will be resumed unless the course is declared closed. Players are expected to wait at least one hour if the course is declared unplayable to determine if the course will be closed.

If the course is declared closed before Four-Ball Match Play has begun and the matches cannot be rescheduled, the points will be divided equally. If the course is declared closed after play has begun, the points for the holes played stand as earned and the points for any holes not played are divided equally.

In an electrical storm, players shall discontinue play and take shelter. Balls may be picked up and marked with a tee, or left on the course. The Committee (Sectional Team Chair and Sectional Handicap Chair and/or another CWDGA Board Member) will determine when and if play continues or discontinues.

Discontinuance of Play: For breach of Rule 6-8, in addition to disqualification, the individual team members involved will forfeit their right to play in all CWDGA events for that current season and in Four-Ball Match Play for the following season. If an entire team or a side fails to play or discontinues play for any reason, whether a breach of Rule 6-8 or not, all points earned by and against the team for the season shall be null and void. Discontinuance of play is communicated by a CWDGA official only.

Disqualification of Side: If a side is disqualified for any USGA Rule or CWDGA Rule, the penalty of which is disqualification of side, the side which breached the Rule will receive zero points and the opponents will receive 11 points for the day.

Ties: If two teams that are tied have previously played each other during regular Four-Ball Match Play, the winner of the original match is the winner. If the tie is for first place, the loser is the second place winner.

If the two teams that are tied have played each other and the original match was a tie, a scorecard playoff will be determined in the following order:

- The winner of the back nine of the original match
- If tied, the winner of the last six holes on the back
- If tied, the winner of the last three holes on the back
- If tied, the winner of the eighteenth hole

If the two teams that are tied did not play each other during regular Four-Ball Match Play, an eighteen-hole playoff will take place at a neutral club selected by the Sectional Team Chair. If this playoff results in a tie, a scorecard playoff will determine the winner.

Slow Play: Pursuant to USGA Rule 6-7, the CWDGA has established the following pace of play guidelines. A group of four players is expected to take no more than 15 minutes per hole – **4 hours and 30 minutes per round** to play. Any group that fails to hold its position on the course will be alerted and requested to play at a faster pace. After being warned, the group will be monitored. The time each player takes to play each stroke will be recorded. Any player in a group out of position that takes more than 45 seconds to play a stroke on two occasions will be advised of that fact and told that if she exceeds the time limit on two more shots, she will incur the **penalty** provided in Rule 6-7.

Etiquette: Players are expected to conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times. This includes being considerate of other players, caring for the course and treating all opponents, staff and CWDGA members with respect. The Committee has the power to revoke the playing privileges of any player for etiquette violations.

Tips: The CWDGA tips at each play date. Players may use their discretion in handling extraordinary service received.

FOUR-BALL MATCH PLAY
TEAM CAPTAIN'S RESPONSIBILITIES

Team Captains are responsible for assisting the CWDGA Sectional Team Chairs in securing play dates at their home course and for coordinating preparations for Four-Ball Match Play when hosting a team match event.

General Duties, Following CWDGA Fall Meeting

- Read the "Instructions Governing Four-Ball Match Play" found in the *CWDGA Handbook for Members* and on the website: www.cwdga.org.
- Determine team members and substitutes for the following year and submit the team through the CWDGA website by the designated date announced at the Fall Annual Meeting. **All permanent team players must play at least three scheduled Four-Ball Matches for the team to be eligible for prizes.**
- Beginning with 2018 Team Match Play, a Team Captain may request approval from the Team Match Chair for a player who meets all eligibility requirements other than the Handicap Index of 28.0. If approved by the Team Match Chair, this player must play to a maximum 28.0 for the match events.
- Upon notification by the Team Match Chair on how many teams you will have the following year, you should:
 - Remind team members and substitutes that they must post away and winter scores.
 - Notify team members and the Host Club Golf Chairs of the following year's Four-Ball Match Play dates so that calendars can be set accordingly. The schedule is available on the website.
- CWDGA suggests Team Captains use email for communicating between the Team Match Chair, Sectional Team and Handicap Chairs, and the team members.

Spring Duties

- Confirm your team members and substitutes. Notify the CWDGA Team Match Chair of any team member changes by the designated Permanent Replacement date.
- Remind all team members and substitutes to access the schedule for Four-Ball Match Play through the website.
- Monitor team players' and substitutes' scores to ensure

the winter scores are entered into the CDGA handicap system before the last handicap revision prior to the first team match. Continue to monitor the team players to ensure all away scores are entered into the handicap system before each revision date during the Team Play season.

- **Attend CWDGA Spring Meeting or send a representative.**
- Confirm your club has paid its annual CWDGA membership dues.
- **Attend the Team Captain's Meeting for your section or send a representative.**
- Distribute all handouts intended for team members.
- When it is your team's turn to host Four-Ball Match Play, assist your CWDGA Sectional Team Chair in scheduling your club for a Four-Ball Match Play event the following year. Approximately every other year your club will be asked to host a CWDGA Match Play date event.

Responsibilities When Hosting Four-Ball Match Play

- If asked to do so, work with your Sectional Team Chair to arrange meals, volunteers and other details at your club.
- You will receive a copy of a letter from the Sectional Team Chair about one month in advance that will be helpful to your club.

Before Each Four-Ball Match Play Event

- Submit an online request to the Sectional Handicap Chair for approval of substitutes with a handicap index over 28.0.
- Enter the substitute request by the designated 36 hour deadline. There is a \$5 fee for each substitute payable at check-in.
- **Notify the Sectional Handicap Chair if a player requests a change from caddie to cart or cart to caddie within the 36 hour deadline prior to match.**
- **Review the pairing sheet for the match emailed by the Sectional Handicap Chair. Verify the roster and indexes and inform her of any corrections.**

Day of Play

- Check in with the Sectional Team and Handicap Chairs

☐ and submit substitute fees at least one-half hour before matches begin.

☐ **Following Each Four-Ball Match Play Event**

- ☐ • Instruct your team players to return the official match scorecard to the scorer's table **before** going to the locker room or parking lot.
- ☐ • The scorecard must have both the **team match** and **individual adjusted** scores. Individual scores will be posted by the Sectional Handicap Chair. (*Individual scores will not be posted as "T" scores.*) The cumulative team points will be available on the CWDGA website.
- ☐ • CWDGA encourages team captains to write thank-you notes to the host-club.

☐ **Attend the CWDGA Fall Annual Meeting or send a substitute.**

- ☐ • If possible, have next year's Team Captain attend the Fall Annual Meeting in order to get acclimated to the CWDGA and the Four-Ball registration process for the following season.

USEFUL INFORMATION FOR

CWDGA GOLF COMMITTEES AND MEMBERS

Organizing and conducting a successful women’s golf program at CWDGA member clubs requires not only an understanding of the Rules of Golf but also the ability to provide tournaments and events that promote both spirited competition and camaraderie among participants.

Below is some general information to help those charged with the responsibility of overseeing the women’s golf program at their own clubs.

INSTRUCTIONS FOR WOMEN'S GOLF CHAIRS 2018

The Chicago Women's District Golf Association depends on the Women's Golf Chairs to be our liaisons to their individual clubs. They promote CWDGA activities and educational services, contribute member information to the CWDGA database and are a direct link between the CWDGA Board of Directors and the individual member club. Additionally, each year the Golf Chairs play a vital role, together with the Team Captains, in helping to secure their clubs for CWDGA tournaments and four-ball match play events.

While the responsibilities of the Women's Golf Chairs within their own clubs will vary, developing a sound women's golf program ensures that players will improve their skills. It is important for the Golf Chairs to stay informed about changes in the Rules of Golf, encourage new players to engage in competition and provide an organization and structure that will meet the needs and expectations of players at CWDGA member clubs.

Because the person holding the position of Women's Golf Chair often changes each year, the following information provides a general overview of how to organize a women's golf program. The CWDGA is committed to assisting member clubs and their Women's Golf Chairs in developing programs to advance of the best interests of women's golf through friendly and spirited competition.

ORGANIZATION OF WOMEN'S GOLF COMMITTEE

Each member club is encouraged to establish a Women's Golf Committee.

The CWDGA recommends appointing or electing both a Golf Chair and Co-Chair. These two officers, together with the chairs of various subcommittees constitute the Women's Golf Committee.

The Golf Chair should be an ex-officio member of each subcommittee and should be familiar with the work and responsibilities of each. Subcommittee chairs are responsible for carrying out their respective duties.

Subcommittees should be established for the following areas:

- Handicap
- Rules
- Four-Ball Match Play (Team Captain)
- Annual Club Championship
- Seasonal tournaments and events
- Women's-Day events including guest day and other social and/or charitable activities
- Prizes

Additional members of the Women's Golf Committee may be appointed as needed. A secretary and treasurer are often included.

Members of the Women's Golf Committee should have copies of the CWDGA Handbook for Members, The USGA Handicap System manual, and The Rules of Golf for reference during the season.

The Golf Chair and other members of the Women's Golf Committee should keep complete and accurate records of all golf committee activities.

RESPONSIBILITIES OF A WOMEN'S GOLF COMMITTEE

The Golf Chair should confer with her entire Committee on all questions of policy, particularly if the issues involve setting precedents for future seasons. The Committee should meet to make decisions on the following subjects:

1. Maximum Handicap Index and Classification of Players – The USGA sets a maximum Handicap Index of 40.4 for women. However, in some cases, individual clubs may allow players to play with a higher handicap. *The USGA Handicap System* manual Section 3-4.

The Golf Chair together with the Handicap Chair should decide how to divide the field of players. The Handicap Indexes for **each class** should yield a sufficient number of players to provide good competition **within that class**. The qualifications for each class will vary from club to club and will often vary within a club from season to season.

Eligibility to Compete in Club Events – Only those players with established Handicap Indexes should be eligible to compete in scheduled events. The Women's Golf Committee should establish qualifications for weekly, monthly and special events such as a minimum number of scores required or a maximum Handicap Index.

2. Criteria for Weekly, Monthly and Seasonal Events –

Set specific dates for the beginning and end of the golf season. The final day of play should not extend beyond the last acceptable date allowed by the authorized golf association to post scores for handicap purposes.

- Determine the number of players necessary to constitute each event.
- Decide if events will be played in classes, flights or as field events.
- Decide if juniors with Handicap Indexes are eligible.
- Specify tee times.
- Inform players competing in weekly, monthly, seasonal or other special events that they **must** play with another

contestant and return a signed and attested scorecard to the Committee at the conclusion of the event.

- Establish a procedure for inclement weather. In the case of rain a delay of one hour is recommended. If play cannot be started or resumed at that time, the day's event should be cancelled or, in a major event, play should be postponed and a subsequent date announced and posted. (2016 *The Rules of Golf* Rule 33-2d, page 131).

3. Classes for Seasonal Events –

The CWDGA recommends that the first handicap revision date in September of the **current** season be used to determine the class in which a player competes for prizes. This may be different from the class in which the player has played most of the season.

Records for each eligible player should be kept throughout the season and prize winners determined at end of the season play.

4. Deciding Ties in all Competitions –

In both match play and stroke play, a tie can be an acceptable result. However, if a sole winner is to be determined, the Committee has the authority, under Rule 33-6, to specify how and when a tie is decided. The Decision should be published in advance. (2016 *The Rules of Golf* Appendix 1, Part B #10, page 10).

Match Play Event – A match that ends all square should be played off hole by hole until one side wins a hole. The play-off should start on the hole where the match began. In a handicap match, handicap strokes should be allowed as in the stipulated round. (2016 *The Rules of Golf* Appendix 1, Part B #10, page 160).

Stroke Play Event – The USGA recommends that in the event of a tie a play-off be conducted. The play-off may be over eighteen holes or fewer as specified by the Committee. If a playoff of any type is not feasible, matching scorecards is recommended. (2016 *The Rules of Golf* Appendix 1, Part B #10, a, b, c, pages 161-162).

5. Prizes –

Instead of awarding weekly prizes, many clubs use a point system for recognizing winners in weekly one-day events. Records are kept for the entire season and the winners of each event are announced or posted.

If a point system is used, the CWDGA recommends the following method of allocating points:

For events in classes or flights:

- Five points to the winner or to each first place tie.
- Three points to the second place winner or to each second place tie.
- Two points to the third place winner or to each third place tie.
- One point for participating.

If weekly prizes are awarded the following limitations are suggested:

- Weekly events – one a month to a player
- Seasonal events – one to a player
- Championship – one to a player

Prizes should be made in the order of low net, low gross, and ringer scores.

Nine-Hole Events –

The number of holes in a stipulated round is eighteen unless a smaller number is authorized by the Committee. While a nine-hole player is typically permitted to compete only in nine-hole events she may establish eligibility and transfer to eighteen-hole competition at any time during the season. Combined nine-hole scores may be posted to establish an eighteen-hole handicap. A nine-hole handicap may be used in interclub play against other players with nine-hole handicaps.

Players should receive complete information on all these points **in advance** of the season's first day of play.

MEETINGS OF A WOMEN'S GOLF COMMITTEE

Schedule at least two meetings of the club's women golfers. An opening meeting in the spring and a closing meeting in the fall are suggested.

Spring –

Most CWDGA clubs use this opportunity to conduct an information session and welcome new members by acquainting them with the women's golf program.

The **Women's Golf Chair** should instruct players to:

- Be familiar with the Rules of Golf and any Local Rules or conditions under which the events are to be played.
- Appear promptly at scheduled tee times ready to play.

The **Handicap Chair** should instruct players on how to establish a Handicap Index and announce and post the handicap requirements for all events and tournaments played during the season.

- Know your handicap.
- Mark scorecards clearly, check for accuracy and have them properly signed and attested.
- Report scores (or match results) immediately after completing play.
- Always observe the Rules, etiquette and traditions of the game.
- Establish a Handicap Index.

The **Rules Chair** should explain any changes in the Rules of Golf and allow an opportunity for players to discuss or ask questions about the Rules.

Time should be provided for other Committee members to make announcements or explain procedures relevant the season's program.

Fall –

Clubs will typically schedule a closing event to award prizes, present reports and announce the selection of the Women's Golf Chair for the following year.

As soon as the Golf Chair forms her Committee it should begin working on the women's golf schedule for the coming season. The Golf Committee may do this as a whole or

☐ designate parts of the program to be developed by its subcommittees.

☐ Every effort should be made to avoid scheduling important club events on dates that conflict with outside golf activities. The schedules of the Chicago Women's District Golf Association, the Illinois Women's Golf Association and the Women's Western Golf Association should be consulted. The overall golf program of the club should always be carefully checked to avoid conflict in schedules.

☐ Additional information about competition formats, tournaments and Four-Ball Match Play events, and organizing and conducting a club championship can be found in the CWDGA Handbook for Members or on our website **www.cwdga.org**.

☐☐☐☐☐☐☐☐☐☐

FORMATS FOR ONE-DAY COMPETITION

In scheduling events the Golf Committee should consider only those rounds of golf played under the *Rules of Golf* to be acceptable for handicap purposes.

Match Play

Single – A match in which one player plays against another player.

Threesome – A match in which one player plays against two other players, and each side plays one ball.

Foursome – A match in which two players play against two other players and each side plays one ball

Three-Ball – Three players play a match against one another, each playing his own ball. Each player is playing two distinct matches.

Best-Ball – A match in which one player plays against the better-ball of two other players or the best ball of three other players.

Four-Ball – A match in which two players play their better-ball against the better ball of two other players.

(See *The Rules of Golf* Definitions, page 30).

Stroke Play

Individual – A competition in which each competitor plays as an individual.

Foursome – A competition in which two competitors play as partners and play one ball.

Four-Ball – A competition in which two competitors play as partners, each playing his own ball. The lower score of the partners is the score for the hole. If one partner fails to complete the hole, there is no penalty.

(See *The Rules of Golf* Definitions, page 30).

OTHER COMPETITIONS

ABCD – An eighteen-hole event in which players from each class play as a team. The lowest net team score is the winner.

Best Nines –The front nine, back nine and eighteen-hole scores all count as separate tournaments. In a best nine tournament, the player or team winning the front nine wins a prize, the player or team winning the back nine gets a prize, and the player or team with the low eighteen-hole total wins a prize.

Blind Bogey - The most common format of blind bogey requires golfers to play eighteen holes of stroke Play. Following completion of play the Committee randomly selects a score and the golfer(s) whose actual score is closest to the randomly selected score is the winner.

Flag Day - A competition in which golfers begin a round with an allotment of strokes then play the course until their strokes run out. Typically strokes are determined by par plus handicap. Players are given a flag at the beginning of play and the player who stakes his flag the farthest around the course is the winner.

Red, White and Blue - Red, white and blue refers to the color of the tee markers. If a club uses different colors, or has more than three tee boxes, it can be called a Forward, Middle and Back tournament.

All golfers tee off from the white (middle) tees on their first hole. After that, the tee used depends on the golfer's score on the previous hole. Golfers who make a birdie tee off from the blues (back tees) on the next hole; golfers who make par tee from the whites (middle tees) on the next hole and golfers who score bogey or higher, from the reds (forward tees).

Low Gross – Players play an eighteen-hole round and the lowest score is the winner.

Low Net – Players play an eighteen-hole round then deduct their handicap from their score to determine the final net score. The lowest net score is the winner.

Low Putts – The player recording the lowest number of putts for an eighteen-hole round is the winner.

Par Five Holes - Players keep track of their gross scores on all par fives. The lowest cumulative total is the winner..

Par Four Holes – Players keep track of their gross scores on all par fours. The lowest cumulative total is the winner.

☐

Stableford – The scoring in Stableford competitions is made by points awarded in relation to a fixed score at each hole. The winner is the competitor who scores the highest number of points. (See *The Rules of Golf*, Rule 32-b, pages 126-127) for procedures and point allocations.

☐☐

Tee to Green – Players deduct the number of putts per round from their gross score. The lowest score is the winner.

☐☐☐☐☐☐☐☐☐☐☐☐

FORMATS FOR SEASONAL COMPETITION

These competitions are recommended for seasonal events:

Match Play

Single - A match in which one player plays against another player.

Threesome – A match in which one player plays against two other players, and each side plays one ball.

Foursome – A match in which two players play against two other players and each side plays one ball

Three-Ball – Three players play a match against one another, each playing his own ball. Each player is playing two distinct matches.

Best-Ball – A match in which one player plays against the better ball of two other players or the best ball of three other players.

Four-Ball – A match in which two players play their better ball against the better ball of two other players.

(See *The Rules of Golf* Definitions, page 30).

Stroke Play

Four-Ball – A competition in which two competitors play as partners, each playing his own ball. The lower score of the partners is the score for the hole. If one partner fails to complete the play of a hole, there is no penalty.

Low Net – The lowest total net score played over a stipulated number of days. The stipulated days should be more than one half of the total number of events scheduled.

Low Gross - The lowest total gross score played over a stipulated number of days. The stipulated days should be more than one half of the total number of events scheduled.

Ringer Score - At the beginning of the season the first eighteen-hole score returned is posted hole-by-hole. When a score on any hole is lowered in subsequent play the lower score is substituted. The lowest gross score and lowest net

score in each class determines the winners.

☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐

CONDUCTING SEASONAL EVENTS

The Committee should post all Rules and conditions of play governing seasonal events prior to the first competition of the season.

Registration -

A registration sheet giving the dates for a qualifying round (if required) and for each competition should be posted in advance with space for players to sign up if they want to compete.

A notice should also be posted: "Only those players who expect to be in town and able to play all matches should register. Defaults are unfair to other contestants."

Qualifying -

If a qualifying round is required, the lowest scores qualify to play. If not, players will be organized under the Rules of the competition established by the individual member club. Use net scores for bracket positioning in handicap matches and gross scores in scratch events such as championship tournaments.

Pairings -

The USGA General Numerical Draw is recommended. (*The Rules of Golf* Appendix 1, Section 11, pages 162-163).

Prepare a numerical list of contestants:

If a qualifying round is used, the lowest qualifying score (net for handicap matches, gross for scratch) takes position number one the next lowest score takes position number two. Positioning continues until all players are listed in numerical order. Ties (by score or by handicap) for the last position in a bracket should be decided by a hole-by-hole playoff. If this is impractical, players should be notified in advance that all ties for bracket positions will be decided by Handicap Differentials.

Without a qualifying round, the lowest handicap (or combined handicap) takes position number one the next lowest position number two etc. Players with the same handicaps (or combined-handicaps) should be positioned according to Handicap Differentials.

In a combined-handicap tournament, the Committee may, in fairness to players in all classes, use a completely blind draw (without regard to handicap) to eliminate a team from competition. This will be necessary only if there is no qualifying round and if a larger bracket is not feasible by using byes. Three persons or more should be present for any blind draw.

If there are insufficient players to complete a flight, byes may be used to complete it. If there is one bye, the player in the number one position in the numerical order should receive it. If there are two byes, the players in the number one and number two positions in the numerical order should receive them, and so on.

Handicaps -

In a handicap single match tournament allow the full difference between the handicaps of the two players.

In a handicap Four-Ball Match tournament reduce the handicaps of all four players by subtracting the handicap of the player with the lowest handicap. The lowest handicap player competes at scratch (0); the other three players receive a percentage of the resulting difference in handicap in each case. Refer to *The USGA Handicap System* manual for more detailed instructions.

In either tournament, a player receiving handicap strokes shall take them in the order assigned on the scorecard.

A maximum combined-handicap or certain restrictions on the combined-handicaps of the two-member team may be established by the Committee in charge of a Four-Ball Match tournament. Example: A player with a handicap of 25 or less may be required to “team up” with a player whose handicap is 26 or more.

Players’ handicaps should not be changed during a tournament to be completed within one week. For a tournament extending over a longer period of time, each contestant should use her handicap in effect at the time each single round is played.

Time Allowed for Each Match -

Post a date by which all matches must be completed.

Order of Play -

Matches start at the first tee and holes are played in the correct sequence. Single Matches should be played only in twosomes.

Consolation Flights -

A consolation flight may be arranged for players who lose their first round matches. Consolation flights should be scheduled only if the original bracket was for eight or more players.

If a player defaults her first round match the Committee must determine her eligibility to compete in the consolation flight. If she has no acceptable reason for defaulting she may be deemed to have eliminated. Players are positioned in the same sequence as the original bracket.

Claims -

Refer to *The Rules of Golf* Rule 34, pages 133-134.

Defaults -

Any decisions regarding defaults are within the jurisdiction of the Committee in charge of the tournament. For a player who defaults her first round match see Consolation Flights above. If a player defaults her final round match the Committee should decide her eligibility for any runner-up recognition.

Responsibility for Arranging Round -

The player whose name appears on the upper line of the match pairing is customarily assigned the responsibility for contacting her opponent and arranging a time to play the match.

Completion of Round -

If the result of the match is determined before the end of the eighteen-hole round of golf the winner of the match should have the privilege of deciding whether or not she wishes to complete the round.

CONDUCTING A CLUB CHAMPIONSHIP TOURNAMENT

Clubs should schedule their championships during August whenever possible.

Early in the season the Golf Chair and her Committee should decide the following:

Form of Play -

Will the competition be a match play or stroke play event? Some clubs alternate between the two: match play one year and stroke play the next.

If match play is selected, decide whether entrants are required to play a qualifying round.

Eligibility to Compete in Championship Tournament -

Players must have an established Handicap Index. All contestants compete at scratch (without handicap) in a championship tournament but each player's flight assignment is determined by her Handicap Index.

Additional handicap requirements may be established by the Committee such as requiring a player post a minimum of five scores for rounds played on her home club course during the current playing season.

Decide if junior golfers with Handicap Indexes are eligible.

Handicap Index Revision Date for Championship -

A player's stabilized Handicap Index will determine the flight in which she will compete.

A date for stabilizing the Handicap Indexes of all players competing in the championship event should be set. If a qualifying round is required in a match play event, the date used should be the most current revision date before the round is played. In match play or stroke play events not requiring a qualifying round, the date used should use the most current revision date provided by the authorized golf association.

The most current Handicap Index revision will be used throughout the tournament to determine players net scores if low net events are included in Stroke Play competition.

The Committee should post all Rules and conditions of play.

CLUB CHAMPIONSHIP TOURNAMENT PROCEDURES

The Golf Chair and her Committee may act as the committee in charge of the championship tournament or a special subcommittee may be appointed to conduct it. In the latter case, the Rules Chair should be a member of the subcommittee.

The regulations for tournament play are established by the Committee. The Committee should refer to both *The Rules of Golf* Rule 33, pages 129-130 for information on Committee responsibilities and the USGA publication *How to Conduct a Competition* for information on the location of holes and tee markers, definition of boundaries, etc. The tournament must be conducted in accordance with the Rules of Golf.

The following information and recommendations will help the Committee to conduct club championship play. These basic elements of tournament procedure are also applicable to any type of tournament format.

Divide the Field of Contestants -

Players must register for tournament play. An entry sheet for this purpose should be posted three weeks in advance. The final date for entries should be clearly stated on the entry sheet. Players who register for play constitute the "field of contestants."

The Committee should review each entrant's Handicap Index. Players are listed according to handicap.

Flight divisions are determined by the Committee immediately after closing date for entries.

There should be a championship flight, first flight, second flight, etc., as required.

Players with same handicaps must be assigned to the same flight.

Note: in match play, specified numbers of players are required for brackets. On occasion, the Committee may find it necessary to assign players with identical handicaps to different flights. Qualifying round scores or Handicap Differentials should be used to determine the flight assignment for these players.

For match play with a qualifying round, flight divisions should be made before play of the qualifying round. The flight assignment for each contestant is decided by her handicap; the qualifying round determines her position within her own flight bracket.

☐☐

For Stroke Play and for match play without a qualifying round the flight assignment and the position within the flight are both determined by handicap. Positions of players with the same handicaps should be decided by Handicap Differentials. If the Handicap Differentials are the same the position is determined alphabetically by last name.

☐☐

The size of the field determines the number of flights. Flights of sixteen players each are recommended. Flights of eight can be used if the field is small. All flights should be as equal in the number of players as possible but the range of handicaps must also be considered in making up the flights.

☐☐

Often clubs will have a few low handicap players followed by a sizable group of players in the mid to higher ranges. In stroke play championship tournaments, where there is an obvious gap in the range of handicaps, it may be necessary to combine flights. For example, the championship flight and the first flight could be combined and the low gross scorer is the champion and the second low gross scorer is the runner-up.

☐☐

In making up the flights, the Committee should provide a reasonable opportunity for contestants to win prizes. In stroke play, with flights of sixteen or more, a consolation flight competition and a low net score competition are suggested.

☐☐

The number of prizes available to players in a very small flight may be adjusted at the discretion of the Committee.

☐

If a club decides to play its championship in classes rather than flights the Golf Chair and her Committee can divide the field by using the procedures described above. Tournament play is conducted in the same manner whether by flight or by class.

☐☐☐☐

CLUB CHAMPIONSHIP TOURNAMENT STRUCTURE

Organize Players -

In match play, brackets of sixteen are recommended whenever possible, particularly if a consolation flight competition is planned.

In match play, when using a qualifying round, brackets are made up immediately after the round is completed and gross scores are used. Without a qualifying round the brackets are made up at the time the flights are determined.

For a stroke play championship three consecutive days of play (fifty-four holes) is recommended. Threesomes for the first day's play are made up at time the flights are determined. The CWDGA recommends that competitors play in threesomes organized as follows:

First, third and fifth lowest handicaps play together;
Second, fourth and sixth handicaps play together;
Seventh, ninth and eleventh; play together;
Eighth, tenth and twelfth, etc.

On the second day of play the lowest scores from the first day determines the pairings and on the third day the total lowest scores from the previous two days are used.

This same method should be used for all flights.

Positions of players with same handicaps or with same scores are decided by Handicap Differentials.

Starting Schedules –

The starting schedule for first day's play should be posted at least five days in advance and clearly indicate the flight in which each group of players is competing. Starting times within each flight should be assigned by the Committee. The starting schedule for each succeeding day's play should be posted as soon as possible after completion of the day's play.

The championship flight should start on the first tee followed by the first flight, second flight etc. Scheduling play by flights will enable each contestant to determine her approximate starting time for the next day's round.

For the final day of competition the championship flight may be scheduled last to create greater interest.

Stipulated Round -

The stipulated round consists of playing the holes of the course in their correct sequence, unless otherwise authorized by the Committee. The number of holes in a stipulated round is eighteen unless a smaller number is authorized by the Committee. (*The Rules of Golf Definitions*, pages 21-22)

All players in a flight should be permitted to play the course under as nearly identical conditions as possible. If the Committee deems it **necessary** to designate two tees as starting tees, all players in any one flight should be scheduled to start from the **same tee**.

Rules –

Prior to the start of the tournament the Rules Chair should post the Rules governing play with special attention to Rules for match play or Rules for stroke play, as required.

Instructions for deciding ties should be posted.

Local Rules must be decided and posted in advance of the **start** of each day's play.

The Rules Chair is responsible for seeing that scorecards are prepared for each day's play.

In match play each player should keep a hole-by-hole record of the match.

In stroke play each competitor should keep her own score as well as the score of the player to whom she is assigned as scorer. For example, player number one keeps the score for player number two; player number two keeps the score for player number three; player number three keeps score for player number one.

Each competitor is responsible for the accuracy of the score recorded for her for each hole.

The Rules Chair and her Committee should be available each day to decide questions or claims that arise. A member of the Rules Committee should disqualify herself from any decision arising within her flight.

Receipt of Match Play results or Stroke Play Scores -

The Committee should appoint someone to be on hand near the eighteenth green to receive results or scores. Interest in the tournament will be greater if scores or results are posted in a prominent location.

Match play results may be posted at once and opponents for the following day immediately determined.

In stroke play the Committee is responsible for the correct **addition** of scores and for accuracy of net scores

The Committee is responsible for determining the tournament winners.

Players usually regard their club championship as the most important event of the golf season. The effort expended to carefully plan this event will ensure that it is enjoyed by all of the participants.

INSTRUCTION FOR CLUB HANDICAP CHAIRS 2018

Handicaps for the Chicago Women's District Golf Association shall be kept in accordance with the USGA Handicap System.

Scoring records are maintained continuously from season to season. The CWDGA season is from **April 1 through October 31**, and all scores should be turned in during this period. If the rating or slope of a course is unknown, check the *CWDGA Handbook*, the website, or contact the CWDGA Handicap Chair.

Commencing in 2016, the USGA has made changes in the Handicap System. One of the changes was: "Scores made while playing alone will no longer be acceptable for handicap purposes." (Sec. 5-1: Unacceptable Scores)

HANDICAPS

All CWDGA member clubs must use the CDGA Handicap Information System through associate membership with the CDGA. This assures uniformity in handicaps throughout the district. Handicaps are currently revised on the 1st and the 15th of each month.

Scores made in a new playing season and away scores shall be added to those of the preceding playing season to make up the required total scores from which to select the player's lowest Handicap Differentials of the last twenty scores.

Current Handicap Indexes will be used for all CWDGA events. A current Handicap Index is received on the effective revision date. EXCEPTION – when a player has fewer than 20 scores posted (especially a player establishing a handicap), her handicap should be revised more frequently to insure the assigned Handicap Index is fair to herself and her opponents.

At each revision date, the club Handicap Chair should obtain a current handicap revision from the golf professional or club manager and post the latest revision. If you have difficulty correcting any errors which may appear, notify the CDGA office in Lemont at **www.cdga.org** or the CWDGA Sectional Handicap Chair listed in our handbook.

INACTIVE SEASON

Scores made at a golf course in an area observing an active season must be posted for handicap purposes, even if the golf club from which the player receives a Handicap Index is observing an inactive season.

Example: If a player belonging to a golf club in Illinois plays golf in Florida during January, any scores made in Florida are acceptable and must be returned to the player's Illinois golf club. If the player is also a member of a golf club in Florida, scores must be posted to the player's Florida club. (*The USGA Handicap Manual*, Section 6-2).

PLAYERS BELONGING TO MORE THAN ONE CLUB

Members will use the same identification number at both clubs. They can post at both clubs and the scores will automatically appear on the records at the other club.

CWDGA EVENTS

All CWDGA events require a current handicap. Players with a Handicap index of 0-26 are eligible to compete in the Annual Championship Tournament. Entrants with a Handicap Index of 0-33 are eligible for One Day Stroke Play, Better-Ball of Pairs and Senior Better-Ball of Pairs tournaments. In Four-Ball Match Play, a player with an index above 28.0 may be approved by the Team Match Chair as a permanent player for registration purposes, but must play to an index of 28.0 in all matches. If a regular player or substitute's handicap index exceeds 28.0 on the revision date of the match, they must play to a USGA Handicap index of 28.0. Be certain that all team players' names and substitute players' names appear on the computer or handicap sheets. Handicap Indexes will be used to determine handicaps for Four-Ball Match Play dates.

DUTIES OF CLUB HANDICAP COMMITTEE

- 1) Verify that all acceptable scores are reported for handicap purposes and are available for review by all members and be sure your club has been certified for handicap reporting purposes.
- 2) Advise members at start of season about the following matters:
 - a) How and when scores are returned.
 - b) How handicap cards or labels are issued.
 - c) How each Handicap Index is verified at each revision
 - d) The handicap revision schedule as determined by CDGA.
 - e) The duration of the inactive season
 - f) How away scores are posted prior to the start of the active season.
 - g) Handicap Index adjustment responsibilities of the Handicap Committee.
 - h) Penalties for players failing to return scores
 - i) What rounds will be designated as tournament scores (T scores)

T scores excludes fundraising events and regular league play, in favor of designated competitions such as a member/guest or club championship, local amateur tournament or national qualifying and competition (Sec. 2: Definitions – Tournament Scores)
- 3) Display the USGA Course Rating and Slope chart of the home club and all area clubs. Keep it up to date and instruct your members in its use when posting scores
- 4) See the Compliance Checklist on page 50 (*The USGA Handicap System* manual) to determine if your club is following the USGA Handicap System. (See page 46, Section 8 of *The USGA Handicap System* manual for more detailed instructions regarding Handicap Committee responsibilities)

COURSE HANDICAP AND SLOPE RATINGS

Except for the Rules of Golf, nothing is as important to competitive golf as a system of equitable handicapping. Authorized golf associations provide this service to their member clubs.

The Course Handicap and Slope Rating for each CWDGA member club is determined by the Chicago Women's District Golf Association and the Chicago District Golf Association in accordance with the USGA Course and Slope Rating System.

When changes are made to a course such as relocating tees, adding or eliminating hazards, rebuilding greens or changing yardage, the Golf Chair should notify the CWDGA. A scorecard should accompany the notification. If re-rating is necessary, a time will be arranged for the CWDGA/CDGA Course Rating Committee to visit the club.

The CWDGA periodically reviews the Course Handicap and Slope Ratings of its member clubs and the Rating Committee may, on occasion, ask to visit a club for purposes of checking the course and playing conditions.

For complete information and instruction about the USGA Handicap System please refer to the *The USGA Handicap System* manual developed by the United States Golf Association. This publication is available online at www.usga.org.

INSTRUCTIONS FOR CLUB RULES CHAIR 2018

The Rules Chair is responsible for:

RULES COMMITTEE: The Rules Committee should be composed of the Rules Chair and two other members. The Chair and her Committee should keep all members informed about the conditions of each competition and the Rules in force. The Chair and other Committee Members should familiarize themselves with *The Rules of Golf*. The Committee is responsible for the proper application and interpretation of *The Rules of Golf*.

RULES BOOKS: Copies of *The Rules of Golf*, effective January, 2016, should be made available to all players. 2016 was a Rules and Decisions change year. USGA Decisions books and USGA Rules books will be available for sale at all CWD-GA meetings, match play events and tournaments. A copy of the *2016-2017 Decisions on The Rules of Golf* should be kept in the women's locker room at each club.

POSTING RULES: The Rules Committee is responsible for posting, in advance of play, the regulations and rules governing all scheduled events.

DECISIONS ON GOLF RULES: The Rules Committee decides any questions or claims that may arise. The Rules Chair and the other members of the Rules Committee should be prepared to supply general information about the Rules of Golf. The Committee should decide any Rules question that arises during scheduled play. In order to make a fair and amicable resolution of questions or claims the Committee should:

Assemble the facts. Find the Rule that pertains to the situation. Ask those involved to read the Rule or Rules that apply to the situation. Distinguish carefully between Rules for match play and those for stroke play.

In match play, the players should be left to resolve differences on their own, whenever possible. If they disagree, the Committee must ascertain whether a proper claim has been made. If so, the Committee must rule on the claim. The Committee must always intervene: (1) when a valid claim is made; (2) if players agree to waive the rules; (3) if a player or players do not start on time; or (4) if there is a pace of play issue observed by the Committee.

In stroke play, the Committee must rule on any situation in which a breach of a Rule has been observed or reported to the Committee, or in which a player has completed the play of a hole with two balls.

If a question cannot be decided by the Rules Committee, the Golf Committee, as a whole, should make a decision. If doubt still exists, the CWDGA Rules Chair or any of the names below may be consulted:

Cherie Kessler, CWDGA Rules Chair 847-254-8908
dkess42@comcast.net

Mary Sullivan, CWDGA Asst. Rules Chair 847-695-7651
mmsullivan100@comcast.net cell 224-875-0336

Jodi Ciotti, CDGA 630-685-2323
jciotti@cdga.org

USGA Rules 908-326-1850

LOCAL RULES:

The CWDGA will continue to adopt the Local Rule regarding a ball or ball marker on the putting green accidentally moved by you, your partner, your caddies or your equipment. The ball or ball marker is to be replaced and no penalty is assessed. The CWDGA will also implement the following new Local Rule for all CWDGA Tournaments. The additional two-stroke penalty for failing to include a penalty on the scorecard when the player was unaware of the penalty will be eliminated.

See *The Rules of Golf* "Local Rules." Note that any penalty imposed by a Rule of Golf cannot be waived by any local Rule.
